

# MATHEASE TUTORING

## 2018 Winter Camp

Dec 26&27 and Jan 2&3

### Semester 1 Skills Boot Camps

*For Algebra 1, Algebra 2, and Geometry (2 hrs)*  
These groups are course specific and focus on mastering the important semester one skills that are necessary in semester two.

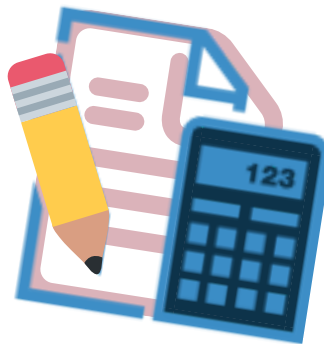

### Elementary Math Camp

*For grades K-5th (3 hrs)*  
This group is designed to be an activity-based, fun learning environment. Students will master their math facts as well as math topics at their grade level.

### Essential Skills

*For 6th grade and up (1 hr)*  
This group focuses on fraction, decimal, and percentage skills that are essential to success in any math class. Students can finally master and feel confident in the basics.

### SAT/ACT Elite Prep

*For 10th grade and up (1 hr)*  
This group focuses on learning the math skills and test taking strategies needed to raise their scores on these important college entrance exams.
